Group classes will consist of 4 lessons per session, running Monday-Thursday. Each session will last 50 minutes. The classes will be taught by an experienced, certified instructor. The children will stay active the entire class with plenty of structured time in the water with dry land skills practiced while waiting on deck for their turn. Pre-registration and payment is required. No registration will be accepted after the Friday prior to class session start date. No refunds will be honored unless cancelled one week prior to session start date. The cost is **\$55.00 per person for a group lesson**, which will consist of up to 8 students. Make-up classes for inclement weather or circumstances beyond control will be made up at an announced time. If your child is ill for 3 or more days with a doctor's excuse, we will make-up the lesson. Participants may reserve up to two group lessons. Upon completion of both classes and if space is available, students can register for another class.
